Dear Parents/Carers,

I am delighted to announce that Turves Green Boys' School is to join Matrix Academy Trust. We are a Trust with four schools, 4,600 children, nearly 600 staff and a passion for school improvement. All of our schools have improved in Ofsted terms since joining the Trust. Our aim will be to work with pupils, parents and staff at Turves Green Boys' to support the many improvements that have taken place since the school was placed in special measures.

As a Trust we have high expectations of pupil behaviour both within and outside of school. Our commitment to safeguarding children is very strong. Usually we would have met with parents to introduce ourselves and give you the opportunity to ask any questions you may have. If you do have any questions please do not hesitate to send them addressed to me at postbox@matrixacademytrust.co.uk.

Turves Green Boys' School will become an Academy on 1 May 2021. This means that instead of Birmingham City Council employing the staff, the staff will transfer across to be employed by Matrix Academy Trust. We pride ourselves in developing outstanding teachers and support staff. Our schools all have committed staff and a wide range of before and after school activities including a Combined Cadet Force, Duke of Edinburgh opportunities and children who are very keen to learn.

We hope that working in partnership with yourselves and your sons, together we can make a big difference at Turves Green Boys' School.

Thank you for your continued support.

Yours sincerely
