Dear Parents/Carers

Year 11 Reminders

It has been delightful to welcome pupils back into school as Year 11 but our focus now shifts to preparing them for an important year ahead. The success of all our pupils is a high priority and we endeavour to put everything in place to support their success.

Year 11 Mock Examinations and Revision

To ensure that they gain vital examination experience, we will be running two rounds of mock examinations this year. The first round will begin on Monday 11th October and the second round will be in March.

To support pupils with revision, they have received sessions on effective revision strategies and have had time to construct a revision timetable during their PSHE lessons. Pupils have been issued with revision information for each subject alongside revision materials. These revision materials will also be available online via Show my Homework.

Commencement of Period 6

Period 6 sessions will run after school from 3pm to 4pm on the days below and will begin on Monday 20th September. Attendance is compulsory for all pupils in year 11.

Monday Mathematics
Wednesday Science
Thursdays English

If you have any queries or concerns, please contact your son's Head of House.

Yours sincerely

Mr J Till
