ADMISSION ARRANGEMENTS 2023-2024

Turves Green Boys' School is a boys 11-16 Academy with 557 pupils. The school's admission policy is in accordance with the guidelines below:

Entry into Year 7 September 2023

Pupils will be admitted without reference to ability, aptitude, race or religion. The Published Admission Number in 2023 will be 150.

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below:

1. Children in Public Care (looked after children) and previously looked after children

Definition: A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions.

2. Where a child has an older sibling currently attending the school when the application is made and who will be still attending the school in Years 8 – 11 in September of the relevant year.

Definition: a child who resides at the same address as the child for whom a place is being requested and is one of the following:

- A brother or sister sharing the same parents
- Half brother or sister sharing one common parent
- Step brother or sister (i.e. related by parent's marriage)
- Any other child for whom it can be demonstrated that he or she is residing permanently at the same address (e.g. under the terms of a residency order)

3. Children of Staff employed at The Academy

Where a member of staff (***) has been employed at The Academy for two or more years at the time at which the application for admission is made/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage / or the member of staff has been seconded to support another school within the Matrix Academy Trust.

*** All full time teaching staff
All full time support staff – (defined as those on a 37 hour week and above contract)

The definition does not include contract staff. If service has been 'in house' and is subsequently 'contracted out' children of staff will no longer be eligible for priority admission under this criterion.

4. Proximity of the child's home to the school, with those living nearest being accorded the higher priority, the distance being measured in a straight line

Definition of home address: the home address of the child is considered to be the permanent residence of a child in a residential property when the place is offered. The address must be the child's only or main residence and is either owned by the child's parent, parents or guardian or leased to or rented by the child's parent, parents or guardian under lease or written rental agreement of not less than six months duration

Distance between home and school will be a straight line measurement from the front door of the pupil's residence to the front gates of the school on the drive leading to the school's main entrance doors and reception. The local authority uses a computerised system which measures all distances in metres. Ordnance Survey apply the co-ordinates that are used to plot an applicant's home address within this system.
