

YOU SAID, WE DID

Parent Advisory Board - 30th November 2022

Focus	Parents Said	We Did
Communication	They had experienced poor communication and unanswered calls and emails	Lines and methods of communication were streamlined. All processes were reviewed and new processes put in place to ensure all communication from parents are followed up.
Careers - Work Experience	Are pupils now allowed to conduct work experience?	Work experience is no longer a one-week placement style event. Pupils experience a wide range of work place environments as part of the wider careers provision. This is planned mainly in KS4.
Mental Health	Is there a programme of mindfulness in PSHE activities?	A review of PSHE provision has happened and mindfulness sessions are now planned to be delivered in all year groups across the year.
