# Extra-Curricular at TGBS

- At Turves Green Boys' School, we believe that education should go beyond the classroom. Our extra-curricular program is an integral part of our commitment to providing a well-rounded education that prepares our pupils for success in all aspects of life.
- Our extra-curricular timetable is designed to cater to a wide range of interests and abilities, offering opportunities for pupils to develop new skills, explore new hobbies, and meet like-minded individuals. From sports to music, drama to chess, there is something for everyone to get involved in.
- Participation in our extra-curricular activities is completely free of charge, ensuring that all pupils have access to these valuable opportunities. Pupils also have the chance to compete in fixtures and competitions, attend various clubs, go on trips, gain qualifications and certifications in certain areas like DofE and CCF, and showcase their talents in events such as talent shows and performances.
- Our extra-curricular program plays a vital role in supporting pupils' personal development, helping them to build confidence, resilience, and social skills that are essential for success in life. We encourage all pupils to take advantage of the opportunities available to them and discover new talents and interests that will enrich their lives both now and in the future.
