Dear Parent / Guardian

Re: Northfield Community Partnership

At our school, we are committed to creating a safe and nurturing learning environment that fosters the academic, social, and emotional growth of every pupil. We prioritise the wellbeing of our pupils and families above all else, which is why I would like to take a moment to highlight the important role our work with Northfield Community Partnership plays in achieving this goal.

Northfield Community Partnership provides an extensive array of assistance, resources, and programmes aimed at aiding and supporting families:

1. **Family Support Services:** Northfield Community Partnership provides invaluable support services that can assist families in times of need. Whether it's counselling, financial assistance, housing and benefit advice, or access to community resources, their services are available to help families navigate challenges and find solutions.
2. **Community Engagement:** We actively encourage our families to engage with Northfield Community Partnership's programmes, events, and workshops. These opportunities not only enhance the well-being of individual family members but also strengthen our community as a whole.
3. **Parenting Workshops:** Northfield Community Partnership offers informative and enriching parenting workshops that empower parents with valuable skills and strategies to support their children's growth and development.
4. **Access to Resources:** Through Northfield Community Partnership, families have access to a wealth of resources, including educational materials, after-school programmes, and health services, which can directly contribute to the overall well-being of our pupils.
5. **Social Connection:** By participating in Northfield Community Partnership's events and activities, families have the chance to connect with other parents, creating a supportive network that can be invaluable in navigating the challenges of parenting.

We firmly believe that our work with Northfield Community Partnership enhances our ability to provide comprehensive support to our school community. By working together, we can ensure that our pupils and their families receive the care and resources they need to thrive.

Furthermore, I would like to draw attention to the Route 2 Wellbeing website, a free on-line service that connects individuals and families to health and wellbeing support, advice services, and activities in Birmingham and Solihull. You can find exercise classes, support groups, information and advice, and a variety of other offerings on this website. The Route 2 Wellbeing website compliments the efforts of the NHS, and the services available on the site are provided by local councils, charitable organisations, social enterprises, community groups, and faith-based institutions in both areas.

If you have any questions about the specific ways in which our work with Northfield Community Partnership can benefit your family or if you require further information regarding their services, please do not hesitate to contact Mr Rogers, Assistant Headteacher, and Designated Safeguarding Lead at 0121 483 2890 or via email at srogers@tgbs.co.uk.

Your families well-being is of utmost importance to us, and we are here to assist in any way we can.

Yours sincerely,

Mr Till
Headteacher

Northfield Locality Early Help

Northfield Community Partnership is working with Birmingham Children's Partnership to support all families in our constituency.
