Performing Arts fosters a creative and confident mindset that is transferable to all elements of life. Students develop their self-confidence and ability to work collaboratively with others. Students are encouraged to contribute their ideas and develop their ability to listen and respond to others .

In Key Stage 3, pupils take dance lessons which include a range of styles including street, contemporary and cultural dances such as capoeira and Bollywood. Pupils will also have drama lessons in Key stage 3 that cover a range of genres and practitioners, as well as having the chance to fulfil a range of roles from acting, directing, stage designing and lighting.

All these skills prepare them to study the Key Stage for course – Btec Performing Arts Tech Award
