4 March 2024

Dear Parent/Carer

This week (w/c 4 March) is National Careers Week and we are running a number of different careers-focused events for all year groups to celebrate this. Careers education is an essential part of our wider curriculum at Turves Green Boys' School and you can find a range of different resources on the dedicated area of our website here: <https://matrixacademytrust.co.uk/careers/turves-green-boys-school/>

Our website includes a range of different resources such as our careers policy and programme, local Labour Market Information (LMI), interview preparation and university guidance.

In order for you to support your child further, please also see the attached parent guide produced to support National Careers Week 2024. This guide includes information about careers pathways, options choices at post-16 and post-18 and a spotlight on T levels.

Yours faithfully

**Mr J Till**
