Internal Appeals Procedure IAP

Non Examined Assessment (NEA) / BTEC Assignments

Matrix Academy Trust schools are committed to ensuring that whenever its staff mark candidates' Non Examined Assessment (NEA) this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill and who have been trained in this activity. Matrix Academy Trust schools are committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

If a candidate believes that this may not have happened in relation to their work, they may make use of this appeals procedure.

1. Candidates must be informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body.
2. Candidates may request copies of materials to assist them in considering whether to request a review (e.g. mark scheme or assessment criteria)
3. The request for a review of marking **must** be made in writing.
4. The candidate will be provided with the materials and sufficient time to allow them to review the materials and make a decision.
5. Sufficient time will then be given for the review to be carried out, to make any necessary changes and to inform the candidate of the outcome, before the awarding body's deadline.
6. The review will be carried out by an assessor who has appropriate competence, no previous involvement in the assessment of that candidate and no personal interest in the review.
7. The reviewer will be instructed to ensure that the candidate's mark is consistent with the standard set by the centre.
8. The candidate will be informed in writing of the outcome of the centre's marking.
9. The outcome of the review of the centre's marking will be made known to the Headteacher and will be logged as a complaint. A written record will be kept and made available to the awarding body upon request. Should the review of the centre's marking bring any irregularity in procedures to light, the awarding body will be informed immediately.
10. For BTEC assessments, if the candidate is unhappy with the review of marking then they have the right to appeal directly to the awarding body.

After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation process may lead to mark

changes. This process is outside the control of the Matrix Academy Trust school and is not covered by this procedure.

If a candidate's request for an Enquiry about Results (EARs) is not supported by the school, they may appeal in writing to the Headteacher.
