Dear Parent/Carer

We are writing to inform you that from 2 June 2025, the price of a school meal will increase from £2.40 to £2.80.

This is a trust-wide decision that affects all schools within the Matrix Academy Trust. This decision has not been made lightly but is necessary due to several factors beyond our control. Over the past few years, we have experienced significant increases in food costs, staffing expenses and national insurance contributions. In order to continue providing nutritious, high-quality meals for all our pupils, we must adjust the price to reflect these rising costs.

We remain committed to offering healthy and balanced meals and this increase will help ensure we can maintain the standards you and your children expect.

Thank you for your understanding and continued support.

Yours faithfully

Mr J Till
Headteacher
