Dear Parent/Carer

Invite to Attendance Workshop

We would like to invite you to our Parent and Carer Attendance Workshop, which will be held on Tuesday 25 November from 9.30am to 10.30am.

The purpose of this workshop is to work together to support continued improvements in pupil attendance. During the session, we will explore common barriers and challenges that families may face and identify practical solutions to help ensure every child can attend school consistently.

This workshop is open to all parents and carers, regardless of your child's current attendance. At our school, we aim to work in partnership with families to find supportive ways forward. We want every child to experience all of the wonderful opportunities that take place in school each day, every week, throughout each term, and beyond.

The workshop will be led by Mrs Sanders, our Attendance Manager, who will be available to offer guidance, answer questions, and discuss any concerns you may have. Please note that you do not need to book—simply turn up on the day.

We very much look forward to welcoming as many parents and carers as possible on the day.

Yours faithfully

EARLY HELP

AT TURVES GREEN BOYS' SCHOOL

WORKING TOGETHER TO SUPPORT CHILDREN, YOUNG PEOPLE AND FAMILIES

What is Early Help?
Early Help means taking action to support a child, young person or their family as soon as a problem emerges.

- Can happen at any stage in a child's life – from pre-birth to young adulthood.
- For all children and young people, whatever the need.
- Supports families with any problem they cannot deal with alone.

Early Help is about getting the right support, from the right people, at the right time.

Why is Early Help important?

- ✓ Provides support before problems get worse
- ✓ Helps different professionals work together
- ✓ Reduces the need for specialist or statutory services (unless absolutely necessary)

Early Help can be simple advice and guidance, practical support, or more intensive help in complex situations.

What does Early Help look like?

- Friendly, supportive conversations about your child's needs
- Working with health, education, social care or community services
- Using the Signs of Safety and Wellbeing Framework:
 - ➔ What's going well?
 - ➔ What are the worries?
 - ➔ What needs to happen next?
- An Early Help Assessment & Family Plan so everyone knows what support is in place
