

20 January 2026

Dear Parents/Carers

### **Year 7 Online Parents' Evening**

On **Thursday 29 January** we will be hosting our Year 7 Parents' Evening online between 4.00pm - 7.00pm. This will involve you and your child speaking with individual subject teachers regarding academic progress only. The meeting is very focussed and specific to subject areas. We will also give you the opportunity to discuss your child's strengths and weaknesses.

These meetings are not to discuss general pastoral issues. If you have any concerns regarding pastoral issues, you should contact the school to arrange a separate meeting.

To accommodate this the school is using an online appointment booking system which allows you to choose appointment times. The School Cloud platform enables you to have a video call with your child's individual subject teachers. Once set up, the platform automatically links you to the pre-booked appointments and gives you a countdown towards the start of the meeting. Each individual appointment is 5 minutes in length. Instructions and guidance on how to set up your account are attached to this letter.

**Appointment bookings will open at 4.00pm on Thursday 22 January 2026 and close 24 hours before the Parents' Evening.**

Year 7 will receive their reports shortly; this will enable you to have time to review the information relating to their academic progress prior to the Parents' Evening. In addition, please could you complete the Parent View questionnaire. It is accessible via the link below:

Yours faithfully
