Dear Parents and Carers

We would like to remind all families of the importance of parking considerately when dropping off and collecting children from school.

At peak times, traffic and parking around the school can become very busy. Unfortunately, we have received concerns from local residents about unsafe and inconsiderate parking, including blocking driveways.

We therefore kindly ask that all parents and carers:

- Park legally and safely at all times;
- Avoid blocking driveways, entrances, or access points;
- Refrain from parking on double yellow lines or other marked restricted areas.

We appreciate that mornings and afternoons can be rushed and parking around school is very limited, but the safety of our school community and our neighbours depends on everyone's cooperation.

Thank you for your understanding and continued support in helping to keep our children safe and maintaining positive relationships within our local community.

Yours faithfully
