Dear Parents/Carers

Year 9 Online Parents' Evening

On Thursday, 5 March, we will be hosting our Year 9 Parents' Evening online between 4.00pm and 7.00pm. This will involve you and your child speaking with individual subject teachers regarding academic progress only. The meeting is very focused and specific to subject areas. We will also give you the opportunity to discuss your child's strengths and weaknesses.

These meetings are not intended to discuss general pastoral issues. If you have any concerns regarding pastoral matters, please contact the school to arrange a separate meeting.

To accommodate this, the school is using an online appointment booking system, which allows you to choose appointment times on a first-come, first-served basis. The School Cloud platform enables you to have a video call with your son's individual subject teachers. Once set up, the platform automatically links you to the pre-booked appointments and provides a countdown to the start of each meeting. Each individual appointment is 5 minutes long. Instructions and guidance on how to set up your account are attached to this letter.

Appointment bookings will open at 9.00am on Thursday 26 February and close 7 days later.

Your child will receive their reports shortly; this will enable you to have time to review the information relating to their academic progress prior to the Parents' Evening. In addition, please could you complete the Parent View questionnaire. It is accessible via the link below:

We look forward to seeing you online.

Yours faithfully
