

12 June 2026

Dear Parent/Carer

As your child is now approaching a crucial time in their education in the lead up to their first round of mock exams, we believe it is important for all parents/carers to be aware of how they can best support their child with revision. 'From the Sidelines' is a useful website that provides free resources for parents in the form of short 'Study Hacks' videos, as well as longer podcasts and infographics. Please follow this link to access these: <https://www.fromthesidelines.uk/study-hacks>

From 15 June 2026, all Year 10 pupils will be undertaking their first round of mock examinations. It is essential that all pupils are in school from 8.35am at the latest each day in order to ensure they have the best chance of success. Pupils will be welcome in school for 8am to revise before exams and will not be expected to go out to lineup during the mock exam series (from 16 June onwards). Pupils received their mock timetables on Friday 22 May and spares are available in school if required.

The data gathered from these mock exams will be used to provide targeted, tailored interventions for pupils. Therefore, it is important that all pupils maintain full focus during the exam series and complete these to their best effort.

Yours faithfully

**Mr J Till**  
Executive Headteacher

**Mr T Walker**  
Head of School
