2nd November 2026

Dear Parents/Carers

Year 7 Online Parents' Evening

On **Thursday 12 November** we will be hosting our Year 7 Parents' Evening online between 4.00pm – 7.00pm. This will involve you and your child speaking with individual subject teachers regarding academic progress only. The meeting is very focussed and specific to subject areas. We will also give you the opportunity to discuss your child's strengths and weaknesses.

These meetings are not to discuss general pastoral issues. If you have any concerns regarding pastoral issues, you should contact the school to arrange a separate meeting.

To accommodate this, the school is using an online appointment booking system which allows you to choose appointment times. The School Cloud platform enables you to have a video call with your child's individual subject teachers. Once set up, the platform automatically links you to the pre-booked appointments and gives you a countdown towards the start of the meeting. Each individual appointment is 5 minutes in length. Instructions and guidance on how to set up your account are attached to this letter.

Appointment bookings will open at 4.00pm on Thursday 5 November 2026 and close 24 hours before Parents' Evening.

Year 7 will receive their reports shortly; this will enable you to have time to review the information relating to their academic progress prior to the Parents' Evening. In addition, please could you complete the Parent View questionnaire. It is accessible via the link below:

We look forward to seeing you online.

Yours faithfully

Head of School

How to access School Cloud appointments

Please follow these steps to set up your School Cloud account:

1. To begin the process, firstly visit the school website www.tgbs.co.uk
2. Click on the 'Pupil Life' tab and then select the 'Parents' Evening Booking System' option.
3. A login screen should appear (as below) and you will be required to fill out all of the fields with your and your son's information and click the green 'login' button at the bottom.

4. The software will then take you through a series of screens to book your appointments.

If you need further guidance on any part of the process, please select the link below, which will open a video tutorial.
